

Iron County Register

IRONTON, MO., MAY 13, 1920.

E. D. AKE, EDITOR.

VOLUME LIII. NUMBER 50

FOR PRESIDENT:

Edward I. Edwards,
OF NEW JERSEY.

A Democrat Unafraid to Voice the Faith.

SHADE of Jefferson, we Democrats are calling you!

THE pussyfooting of to-day will be the scorn of to-morrow. I regret that the Joplin convention didn't have the "sand" and character to catch it.

CLING to the old faith, my Democratic brethren! Let not the fads, fancies and fanaticisms of blatant pinheads and "reformers" tear you from it, for with its passing goes the Republic of the Fathers in everything except name. A more detestable step toward the destruction of home rule and individual sovereignty was never taken than is the enactment of Federal Prohibition.

AGAIN Mr. Bryan feels called upon to register disagreement with the President. This is sad, and must be painful to the self-satisfied soul of the Nebraskan. But there remains to him his fellowship with that ground and lofty pulpit acrobat, the other Billy. Let them save their sorrows and arouse the groundlings with a few spectacular "evangelical" exhibitions and all will probably be well.

THE "investigation" of Hon. Louis F. Post, Labor Commissioner, is not panning out to the pleasure of his Republican investigators. It seems he refused to assist in deporting men without evidence justifying such action. I have known him for years through his Chicago Public and believe him to be a true American as well as an ardent lover of liberty and justice: one who cannot be dragged into a wrongful act by friend, foe or circumstance.

It is stated by Judges of the Missouri Supreme Court that great gains have been made the past seven years in the work of that tribunal. The court is now within one year and nine months of having its docket entirely clear. Seven years ago it was nearly four years behind. It is now about as close up with its work as the average circuit court. Appeals are no longer taken to the Supreme Court by big corporations for the purpose of wear-out litigation or forcing compromises.

FARMINGTON TIMES: "The Times is informed that friends of Hon. Orrin L. Munger are bringing influence to bear to secure him the appointment of U. S. District Attorney, to take the place of Walter L. Hensley, who has resigned that position to go into a law firm in St. Louis. Whether or not Mr. Munger has agreed, or would accept such position, we have not been informed. The Times does know, however, that should Mr. Munger be appointed to and accept the office of U. S. District Attorney at St. Louis, the very important duties of such office would be attended to in an efficient manner, that would be entirely satisfactory to all who believe in law enforcement. We know Mr. Munger to have the ability, capacity and honesty to see to it that the present manifold duties of that office are rigidly performed. No better appointment could be made to fill this vacancy than that of O. L. Munger."
